Introduction

The **Montana Foundation Directory, 2006-2007 Edition**, has been compiled, edited, and published by Montana State University-Billings Library. The directory lists foundations operating in Montana, and out-of-state foundations known to have contributed in Montana. The information has been compiled from the Internet, IRS 990 forms, and personal contact with foundation officers, directors, and trustees.

The Library of Montana State University-Billings is one of five Foundation Center Cooperating Collections in Montana. The other collections are located at the Fallon County Library in Baker, the Lincoln County Public Library in Libby, the Bozeman Public Library, and the Mike and Maureen Mansfield Library at the University of Montana in Missoula. It is generally appropriate to call ahead for hours of collection availability and help.

You are welcome to use the Library and the Grants Collection at Montana State University-Billings (www.msubillings.edu/library/grants). To ensure assistance, call for an appointment. Library hours are posted on the Library website (www.msubillings.edu/library) and a recorded message is available at (406) 657-1657.

We hope this directory is a useful resource and look forward to your comments, suggestions, or corrections for future editions.

Montana State University Foundation - \$ 8000

Community Leadership Development, Billings - \$ 5,000

Purpose:

Provides charitable grants to worthy tax-exempt organizations carrying on religious, charitable, scientific, literary or educational activities exclusively. Grants may also be made to a state or any political subdivision thereof but only if the grant is made exclusively for public purposes. The Foundation's areas of interest are broad in scope.

Restrictions:

Grant applications for endowment funds, support of elementary and secondary schools, needs of individual churches, and similar religious groups, and construction, renovation or operations of normally tax-supported public facilities will generally not receive favorable consideration. A low priority will be given to applications requesting funds for normal operating budgets and contributions to annual fund-raising campaigns. Seed money for innovative programs will be considered.

Grants will be made only on a matching fund basis, except those situations involving dire need where matching funds cannot be made available. At least equal matching of funds will be required of organizations not tax-supported and at least a three to one matching of funds will be required of organizations which do receive tax support.

Primary consideration will be given to organizations which are not tax-supported. While not a prerequisite for submitting a grant application, applicants are encouraged to develop other sources of support for a particular project or program prior to approaching the Foundation for funding.

Preference will be given to those organizations which will use and apply substantially all of the distribution in a 35 mile radius of Sheridan, WY and specific areas in MT.

Purpose:

Purpose notes available online.

The overall focus of the Foundation is to
consider grants which make an "investment in
people--especially those less fortunate--to
improve the quality of their lives." This includes
education, youth activities, senior citizens and
overall human services. Organizations which are
preferred are those that have low administrative
expenses resulting in a larger percentage of the
grant being used for the intended.

Restrictions:

Restriction notes available online.

Geographically, the Foundation serves
communities where the Washington Companies
conduct business. Recently, however, a number
of significant gifts have been given to
organizations in neighboring states. The
following categories will generally not be
considered:

Religious organizations for religious purposes;
veteran or fraternal organizations; national health
organizations and programs; travel expenses;
conferences and symposiums; general
endowment funds; operating expenses for tax-
supported groups; sponsorships; and fundraising
activities such as auctions, dinners, advertising,
etc. Must have 501(c)(3) status.
