

Policy Number: 106.2

Policy: Intelligence & Background Investigations

Effective Date: 08/01/2011

Revision Date: 06/01/2017

Approved by: Scott Forshee, Chief of Police

This policy establishes procedural guidelines for conducting intelligence background investigations. The Department will conduct background investigations discretely and with special precautions when necessary in the process of a criminal investigation or when otherwise required (for other than pre-employment purposes).
