

Policy Number: 107.1

Policy: Collection and Preservation of Evidence

Effective Date: 08/01/2011

Revision Date: 10/01/2013

Approved by: Scott Forshee, Chief of Police

This policy establishes guidelines for gathering, processing and managing evidence. The University Police Department will process crime scenes so the maximum recoverable evidence is secured for court; by collecting, processing, and handling evidence to preserve its evidentiary value.
