## II. OTHER

### A. Educational Testing Service

It was noted that the administration seems to be keen on measuring every part of the University. It was noted that this started with performance-based funding, and has now moved to this measuring. It was cited that this Educational Testing Service infringes on academic freedom. The issue will be discussed with the Provost next week.

B. New Graduation Form

It was observed there is a new graduation form that is much more complex than the previous one. There are also earlier deadlines, which is an inconvenience for students. The Registrar will be asked to a Senate meeting to discuss the changes.

The meeting adjourned at 4:45 p.m.
