Mark Hardt called the meeting to order at 3:40 p.m. in the Lewis & Clark room of the SUB.

The minutes of January 27 were accepted as presented.

Connie Landis presented the Aesthetic Development module with Perception/Creation/Appreciation components.

After much committee discussion, Michael Dennis agreed to “fold in” the Aesthetic module into Intellectual Growth and Development rather than create a separate category for Aesthetic Development.

Michael will also “fold in” Ethics into the General Education categories.

The Academic skills category was edited with changes to be presented at the next meeting.

All were tasked to be prepared to discuss the Natural Sciences category at the next meeting.

The meeting adjourned at 4:56 p.m.

Respectfully submitted, Squy G. Wallace Ph.D., half-time COB University Lecturer
