

Institute for Neurodiversity and Applied Behavior Analysis

Purpose

- ABA Clinical Internships and Field Experiences (and extending beyond)
- Providing Needed ABA Services for Children & Families (Insurance, Medicaid, 3rd party)
- Demonstrating Best Practices On-site for Teachers & Practitioners (Montana Center)

Community Impact

- Research Agenda for Students, Faculty, Program Evaluation
- Reduce Wait Times and Wait Lists
- Increase Access to Services for those who are not on wait lists
- Provide more well-trained professionals to Billings and nearby communities
- Extending beyond our borders: Wyoming, Dakotas, Canada, & Idaho

Next Steps

- Increasing Advisory Committee
- Business Plan, Location, etc.
- Part 3 to Board of Regents
- Research Support and Interest in a New Parent Chapter of Autism Speaks
- Revitalize the Summer Autism Conference (Neurodiversity)
