STEM Star
Dr. Deidre Hunter
 Studying LITTLE THINGS slide talk
 Friday, April 24th - 7 pm
 MSUB Petro Theatre

Attend this free talk the night before CIS! Deidre is from the Lowell Observatory and will talk about the "little things" she studies as an astronomer. Everyone is welcome!

A small image showing a colorful astronomical object, possibly a nebula or galaxy, with the text "LITTLE THINGS" overlaid in red.

There will not be a Grand Finale this year; however, prizes will be given out throughout the event each hour.

MSUB Climbing Wall will be open!!!
