6. NASPA 2015 Conference Virtual Ticket opportunity. Joe is signing us up for this so we can benefit the entire year. There will be a live broadcast of featured speakers & SA Speak sessions. 8. City College Dean search update Kathy stated the survey was out for comments. The committee is meeting this Friday to make a recommendation and send to the Chancellor.
9. Student Success Committee update (Stephanie, Tammi, Jenny, Jeff) Tammi stated four team members attended the Gardiner Institute to discuss current issues. A lot of room for some good dialog. Our charge from the Chancellor is to look at high impact practices we have so we don't reinvent the wheel and how to move forward. Matt will help us narrow topics down to research.
