

Come Celebrate Women's History Month with the WGSC! Open House ~ March 14th!

March is Women's History Month, and throughout it, the Women's and Gender Studies Center will be hosting fun activities celebrating women, past and present, who have worked hard for the liberation and advancement of all women.

There will be an open house Wednesday, March 14th from 10:30 until 3:00 pm in the WGSC, LA 201. We'll have pizza, fun, and a photo booth so you and your friends can take photos with our life-size cut-out of the Notorious R.B.G. herself!

Follow our Facebook page to keep up to date with all of our Women's History Month plans!
